

# Massapequa International Little League: History

## 52 Years of Champions

When the Massapequa International Little League takes the field for the 2018 Baseball Season, It will mark our 53rd year of baseball. Many memories over the years have been savored, many friendships blossomed, but most of all, many children of our community have enjoyed playing baseball and since the year 2000, softball.

The MILL has become one of the most respected Baseball programs on Long Island. Over the years, we have had many volunteers to help with our program. We would like to congratulate them for all the hard work and effort in bringing us to our 53rd year. Coaches, Team Moms, Division VP's, Fund Raisers, Umpires, Sponsors, Board Members and of course all the parents who brought their children to our fields to participate are the reason we have been so successful. The 2018 Board would like to thank all of those who preceded us and ask that if you have any stories to share about our league to please contact us.

As stated earlier, the MILL has been one of the most respected programs on Long Island. In our first 53 seasons, the Massapequa International Little League has won:

- 68 District 31 Championships
- 33 Long Island Championships
- 15 New York State Championships
- 3 Eastern Regional Championships
- 1 World Championship
